2026

Three things that changed how I do *marketing.*

Emanuel Werner

Brand is a *revenue* lever.

LLMs recommend companies that look credible online.

The basics got *stronger.*

SEO, AEO, paid, RevOps, lifecycle and email scale better every year.

The website is *headquarters.*

If it isn't consistent with what you sell, traffic doesn't convert.

For January

Read your homepage as a buyer. Fix the *first line* they'd misread.
